

## Smart Threat Detector

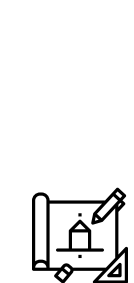

Advanced video surveillance solution specifically designed for detecting theft and fire hazards in various environments.

## Purchase

[Learn More](#)

Our Smart Detection System is an advanced, versatile solution designed to enhance security across various applications, including theft detection, fire hazard monitoring, and more. Tailored to meet the specific needs of our clients, this system seamlessly integrates with existing security infrastructure.

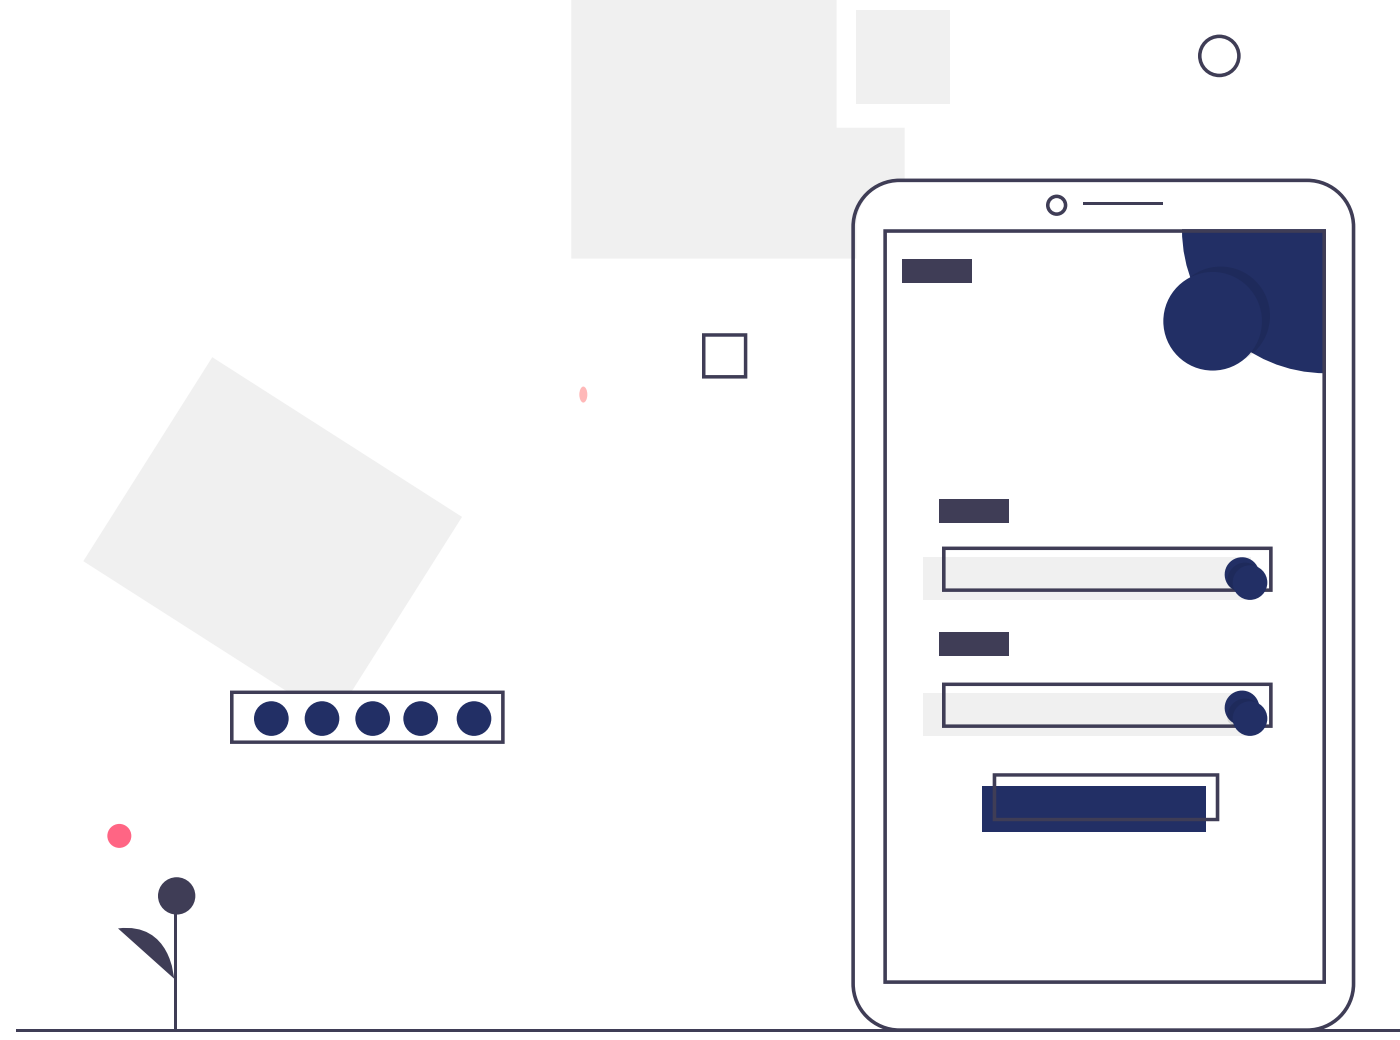

**DETECT**

- Theft Detection.
- Shoplifting Prevention.
- Fire Detection.

APPLIES TO

- Supermarkets.
- Pharmacies.
- Retail stores.
- High adaptability.

## Why choose TI9TEK.AI ?

### Comprehensive Threat Detection:

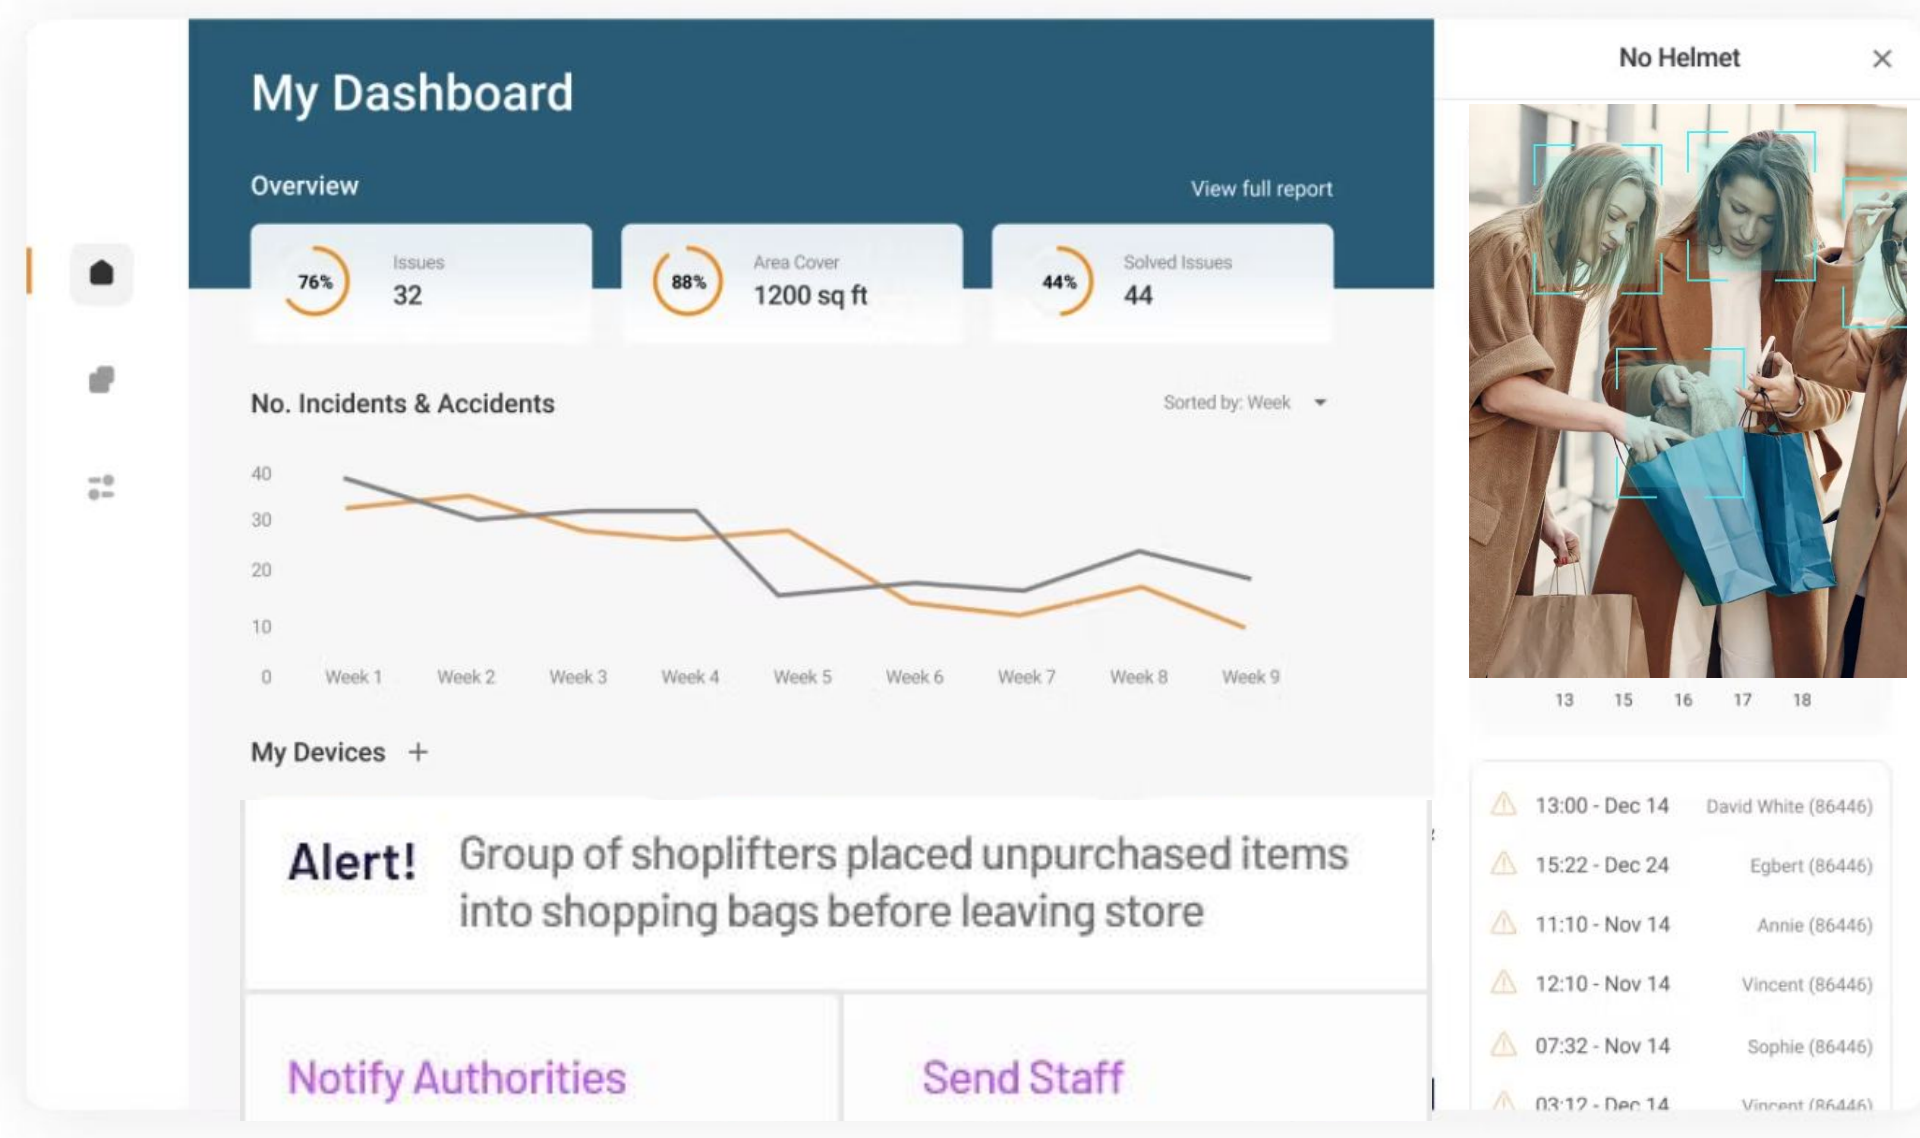

Our advanced solution effectively addresses multiple security concerns, including theft and fire hazards. By continuously monitoring for suspicious activities, the system enables proactive intervention before incidents escalate.

### Versatile Applications Across Sectors:

Whether used in retail environments, residential properties, or industrial settings, our system **adapts** to the unique needs of various sectors, ensuring comprehensive protection.

## Real Time Alert and Alarms

- 1 camera supporting multiple device alerts, including mobile, hardware and big screen monitors
- Instant alert will be sent to worker or safety officer with corresponding footage evidence if something specious is detected
- Save your building from fatal accidents, fire and theft by reducing 95% potential risks!

# AI Cloud Data Traceback and Analysis

All the historical compliance record will be saved automatically to AI cloud, and can provide corresponding footage for incident analysis.
